And a HaPpY Spring everyone! It's finally here. Sounds to me like an excuse for an Asheville Stamp Club meeting! (Of course everything to me sounds like a great reason for a stamp club meeting!) The meeting will formally begin at 2 p.m. this coming Sunday April 21 at the Deerfield Community Center. By all means come early for more reasons than I can count. (Some folks get there as early as 12:30 and are much appreciated for helping set up tables for 5 cent stamps, catalog ,free table etc). This month we will have the above mentioned perks as well as the 50/50 draw, door prizes, Show and Tell (Yes it will actually happen this time) and our BIG NEWS IS AS FOLLOWS:

It's auction time! Not only that, but we are holding the delayed Special Auction featuring a remarkable buffet of outstanding German and Worldwide stamps. First and foremost, please carefully read the attached document: **Instructions For Special ASC Auctions**.

Much of the format of our Special Auction will be familiar. It will have live bidding, Zoom bidding and bids executed for Mail Bidders by Treasurer Jim Haxby ([hax50@morrisbb.net](mailto:hax50@morrisbb.net)). We have some innovations to make your advance viewing of lots much improved. I have also attached the auction catalog in PDF format. As with our traditional floor auctions we will only auction lots that people express interest in. Zoom bidders should indicate interest in a lot by sending an email with the lot number(s) to Kathy our Secretary [kathy.bromead@gmail.com](mailto:kathy.bromead@gmail.com). Floor bidders should indicate their interest by circling the lot number on the auction catalog sheets on the auction table. On auction day for all those attending in person all lots will be displayed for viewing for an hour before the auction. For this Special Auction there will be no

runners or payment for lots after each closes. Lots may be paid for and picked up by floor bidders at the side table with Kathy and Jim starting 15 minutes after the end of the auction. If you have questions ahead of time you may phone Pres Frank at (828) 772-0502 or Secretary Kathy at (919) 414-8640.

Good luck and happy bidding!
