Hi everyone! A brief Gazette this month having just arrived back from two weeks in Canada at the wonderful Orapex national stamp show and bourse in Ottawa Ontario meeting with top level collectors and dealers from across Canada. A very worthwhile and enjoyable trip. 2500 miles of driving. (MyChevy Equinox was very glad to get back home!)

Great to be back for our meeting on Sunday at the Deerfield Community Center at 1.30. Come a little earlier if you can to help with setup. Always very much appreciated! This meeting will feature a presentation by our lovely treasurer Sarah Giavedoni on the magical world of topical collecting. There are many fascinating things to learn about topical collecting and the American Topical Association. I'm sure we will all find it fascinating.

And I don't need to list all our great features we offer members every month. (It's becoming to many to mention!) In addition to Sarah's presentation we hope you will upload a Show and Tell or two and bring a few items for the auction. A time will be had!
